### Several Liability Clause

---

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

## Section 1 - Buildings Conditions

Conditions that apply to section one (**buildings**) only.

### Settling claims

How **we** deal with **your** claim

1. If **your** claim for loss or damage is covered under section one, **we** will pay the full cost of repair as long as:
  - the **buildings** were in a good state of repair immediately prior to the loss or damage;
  - the sum insured is enough to pay for the full cost of rebuilding the **buildings** in their present form;
  - the damage has been repaired or loss has been reinstated.
 If the **buildings** were not in a good state of repair **we** may deduct an amount from **your** claim.
2. **We** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

### Your sum insured

3. **We** will not reduce the sum insured under section one after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.
4. If **you** are under-insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.
